

2023 Photo Contest

Capturing the Value of Geoprofessionals

The official rules of Geoprofessional Business Association's 2023 Digital Photo Contest.

Eligibility

The Digital Photo Contest (“Photo Contest”) is open only to employees of GBA Member-Firms.

The Photo Contest is sponsored by:
Geoprofessional Business Association
15800 Crabbs Branch Way, Suite 300
Rockville, MD 20855

Entry Period

The Photo Contest begins at 12:00am EST on June 1, 2023 and ends at 11:59pm EST on August 31, 2023 (the “Entry Period”). Entries submitted before or after the Entry Period will not be eligible. GBA’s computer is the official time-keeping device for the Photo Contest.

What to Enter

GBA is committed to promoting the value of geoprofessionals and we want to see it through your eyes. For our 2023 Photo Contest, we’d like to know: “How do you depict the day in the life of a geoprofessional?” Is it field activities? Is it meeting with colleagues and clients? Is it performing testing in the laboratory? How is safety incorporated into your work? How are you positively impacting the world? Capture those vibrant moments and express what being a geoprofessional means to you!

To ensure eligibility for the contest, please submit files no larger than 4MB at the time of entry. Higher resolution files may be requested should an entry be preselected to be awarded a prize or an honorable mention. All photographs should accurately reflect the subject matter and the scene as it appeared. Photos that have been digitally altered beyond standard optimization (removal of dust, cropping, reasonable adjustments to exposure, color and contrast, etc.) will be disqualified.

Entries may originate in any format — including, but not limited to digital files, digital prints, color transparencies, color prints, or black and white prints — so long as they are submitted

electronically in a .JPEG .jpg, or.png form. Multiple exposures that have been combined to produce a single "High Dynamic Range" image are acceptable.

Entries should include metadata if possible. Caption information should include:

- Category for Which This Photo is Submitted
- Name of location (ex: Bedford Town Hall – Construction Phase 2)
- City
- State/Province
- Country
- Detailed caption of subject matter

Previously published material for which non-exclusive rights were granted may be entered as long as you still maintain the right to grant us a license (see "Your Rights" below). You must be able to disclose when and where the photo appeared previously to Geoprofessional Business Association upon request.

If you choose to include people in your submission, you are responsible for obtaining the necessary releases from the individuals depicted and must be able to provide copies of those releases to Geoprofessional Business Association upon request.

The following submissions are ineligible:

- Photographs that include logos or branded material.
- Images that exhibit unsafe work practices.
- Photos that violate or infringe upon another person's rights, including but not limited to copyright.
- Photos that contain objectionable or inappropriate content.
- Images that involve damage to the environment by the photographer.
- Images taken more than three years prior to the beginning date of the Contest (June 1, 2023).

Geoprofessional Business Association shall determine entry eligibility in its sole and absolute discretion.

How to Enter

All images must be submitted through our photo submission e-mail address (info@geoprofessional.org), with the title "GBA 2023 Photo Contest Submittal" and include in the e-mail all required fields, including name, email, and other information about your photo submission.

You can select an image directly from your computer desktop, or submit images from Facebook, Twitter, and Instagram for consideration in the contest. Digital images that are sent via mail will not be accepted.

You may enter one photo for each category (Geotechnical, Environmental, Construction Testing and Inspection, Safe Working Practices, and Client Collaboration), but you may not use an agency or automated system to enter. GBA reserves the right to reject any additional entries or entries that do not comply with these Official Rules. By entering, you indicate your unconditional agreement to, and acceptance of, these Official Rules and GBA's decisions, which are final and binding. You cannot win a prize unless you comply with all requirements in these Official Rules.

Entrants may be asked to supplement their submission (such as with a paragraph about their photo or the highest resolution version of their photo) anytime on or after September 1, 2023.

Judging

Photos will be judged on originality, technical excellence, composition, overall impact, artistic merit, and subject matter relevance to highlight the geoprofessional practice. Judging will be conducted by a panel of GBA employees and a group of guest judges to be selected by GBA at its sole discretion (the "Panel"). The Panel will evaluate all valid entries and pick the following winners in the following categories:

1. **Overall** (3 winners. 1 first prize, 1 runner-up, 1 second runner-up): You've nailed it. Your images rise above the rest and encapsulate the geoprofessions in a stunning way.

2. **Categories**: 1. Geotechnical Services (1 winner) 2. Environmental Services (1 winner); 3. Construction Materials Testing and Inspection (1 winner) 4. Safe Working Practices (1 winner) and 5. Client Collaboration (1 winner). Each category winner will clearly illustrate the specific area of interest as it pertains to the day in the life of a geoprofessional.

All winners and honorable mentions will be notified of their status within 14 days of September 1, 2023 and will appear on the www.geoprofessional.org website. All winners will also be showcased at GBA's 2023 Fall Conference to be held in October 2023.

All judging decisions are final. Please do not contact us about the status of entries or judging.

GBA will notify the winner via the contact information provided at the time of entry.
